Ontario County Recovery Center

The Recovery Center

The Ontario Recovery Center helps members build healthy social and community connections.

Activities foster personal development that will lead to an enriched, confident, and self-directed life. The Recovery Center embrace and promote recovery, advocacy, inclusion, independence, personal responsibility, learning and wellness.

Staffed by Peers who through their lived experience, provide support, guidance, and understanding to our members as they work toward their life goals. Members become empowered to overcome the challenges and stigmas attached to living with mental illness.

Staff and members work one on one to develop a wide variety of personal life skills leading to meaningful social connections. Community resources available to the individual members are identified and explored with the goal of becoming active participants within their chosen community.

Our Center promotes participation in a wide variety of group activities including off-site adventures and trips that allow the members to explore their communities and beyond. The Recovery Center offers many opportunities to socialize during virtual as well as in-person gatherings.

Join us in the way that's most comfortable for you to achieve your full potential!

Who Can Join?

Our Recovery Center serves those who are age 18 and older and identify as living with mental health challenges.

This is the beginning of your recovery…

"I had to learn to open up when I arrived at the Center for the first time. That doesn't mean sharing every detail of one's personal history, it means putting aside feelings of insecurity and putting myself out there for others to get to know better. I also found the best friendships in people with whom I thought I had little in common. It's all about letting go of the negative and deciding to appreciate what we can share with one another. I was very depressed when I first came to the Recovery Center and now I have close friends that I know are part of my circle of support for the long haul. It has been a life-changing experience for me."

What's On The Schedule?

During monthly planning meetings, members are encouraged to bring activity ideas as well as information about local community events. The calendars are developed based on the wants and needs of the membership as well as the availability of activities and events.

A sampling of groups and activities…

Wellness and Recovery Groups: Wellness Self-Management, Wellness Recovery Action Planning, Women's Group, Men's Group, Crushing Cravings, Walking or Hiking, Yoga, Gardening, Nutritional Planning and Education. Groups are run by Recovery Center staff or guest facilitators both on-site and in the community.

Educational and Advocacy: Trips to museums, zoos, state and national parks, community and regional events, trainings, and conferences. Interested members can also learn more about the Academy of Peer Services.

Social Opportunities: Shopping, bowling, monthly birthday parties, community festivals, eating out at restaurants, stopping out for coffee and hang outs.

Artistic Outlets: Painting, crafts, jewelry making, music appreciation, dance, and so much more.

It's Easy To Get Started

While membership applications can be received from providers, interested individuals are welcome and encouraged to submit the one page membership application form to join our Recovery Center. Copies can be requested by calling us or stop by our website to download the referral form.

Staff will reach out to schedule an orientation and a tour of the program. During the orientation, staff will discuss personal goals and how the Recovery Center can support the member in reaching their goals. The current calendar will be reviewed together to identify the activities and groups that might be of interest.
